

The Beat Stops Here: Lessons on and off the Podium for Today s Conductor (Paperback)

By Mark Gibson

Oxford University Press Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. In The Beat Stops Here: Lessons on and off the Podium for Today s Conductor , master conductor Mark Gibson addresses the technique of conducting as an extension of intimate knowledge of the score to the hands and arms. He employs a variety of everyday activities and motions (brushing the dog, Tinkerbelle, the door knob) to describe the physical aspects of the role. He advocates a comprehensive, detailed approach to score study, addressing major works bar-by-bar in terms of both musical analysis and conducting method. Finally, Gibson explores the various roles a conductor plays, as a teacher, a scholar and a member of the musical community. His writing is highly focused, with an occasionally tongue-in-cheek, discussing everything from motivic development in Brahms to how to hold a knife and fork in public. In short, The Beat Stops Here is a compendium of style and substance in the real world of today s conductor.
