Crispin Books, United States, 2012. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Dance On His Grave is a strong start to the Sidra Smart mystery series. Sid is a compelling character; a woman who lived a sheltered life until she decided she wanted out of a controlling relationship and is now determined to start her life anew. . . . A female baby-boomer as a private eye is a fresh addition to the mystery genre, even more appealing, one with intelligence and maturity. Sid s Aunt Annie is a likeable, albeit quirky character, and Sid s mentor George Leger lends a colorful Cajun ambience to the story. This well-written mystery falls under the category of page-turner and will keep the reader entertained throughout. -Christy Tillery French, author of The Bodyguard and the Rock Star Sidra Smart, rookie private eye, struggles to survive her own internal conflicts as she plunges into a surreal world of passion and murder. Fifty-year-old Sidra Smart is not your ordinary rookie private eye. A recently divorced preacher s wife, she knows nothing about running the private detective business she s just inherited from her brother. But soon her first client bursts in with vague flashbacks of a grisly thirty-year-old murder. The story takes place in and around Orange, Texas, in the borderlands where Texas and Louisiana meet, a region filled with colorful characters, good food, and dark secrets.
