M-CLE: A Constructivist Learning Environment using Creative Robots

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Educational technology has always included a discourse linking its implementation to the perceived needs of the socio-political and economic world. Within this discourse, the field of 'Instructional Design' has been rooted in an objectivist epistemology. The modern day computer spans a rich history of 'Instructivist' Design practice that has been based on the acquisition of facts and concepts, repercussions of which have been those for how we understand human learning. While direct...
