Reviews

A brand new e book with a brand new standpoint. It really is simplified but unexpected situations in the 50 % of the publication. Your daily life period will likely be transform as soon as you full looking over this publication.
(Dr. Carmine Hammes)

HUMAN CAPITAL: SURVEY OF APPEAL AND GRIEVANCE SYSTEMS AVAILABLE TO FEDERAL EMPLOYEES: GGD-84-17

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. In response to a congressional request, GAO reviewed the various appeal and grievance systems available to Federal employees, including: (1) whether consolidation of existing systems would save time and money; (2) whether some systems are more effective than others; and (3) how employees perceive their rights under different systems. GAO found no strong evidence that consolidating existing systems would result in significant savings of time or money. Further, the systems were established to serve specific needs, and nothing suggested that these needs no longer exist. Although the systems are not problem-free, most problems might best be addressed within the individual systems themselves. GAO noted that, since employee grievances result from systemic rather than structural problems, information on employee perceptions of individual systems was not generally available. This item ships from La Vergne, TN. Paperback.
