Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Hugh Swinton Legare The career of Hugh Swinton Legare was that of a scholar in politics. It is scarcely too much to say that of the Southern statesmen of the old regime he was not only the most gifted but by all odds the best acquainted with the various arts that go to make up a well-informed man of the world. As lawyer, orator, author, statesman, diplomatist, and cabinet officer - for he was all these in the brief life vouchsafed him - we shall find him always exhibiting the same devotion to high ideals, the same independence of judgment and of action that formed on of the leading traits of his character and won for him the confidence and esteem even of those who might have differed from him in politics. These moral qualities he acquired partly through inheritance, partly by reason of the circumstances surrounding his early life. Of Scottish extraction on his mother s side, he gained from his father a Huguenot name as well as many of the characteristics of that sect. Born of Charleston, S. C., January 2, 1797, Legare was a great-great-grandson of Solomon Legare, a French Huguenot, who emigrated to America when about twenty years of age on account of the religious controversies that shook his native land throughout the greater part of the seventeenth century. According to family tradition, the father of the Huguenot was a Roman Catholic of liberal tendencies whose home was on the Loire, not far from the town of Lyons.
