AN ATTITUDE ADJUSTMENT FOR PRESENTATION SKILLS GET YOUR HEAD IN THE GAME

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 32 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Can you really improve your communication skills? You already know that public speaking and presentation skills are essential for your business and personal success, but what can you do if you don't feel comfortable making presentations? With this SkillBite, not only can you improve your presentation skills, but you'll enjoy doing so, and it'll be easy and fun! Blair and Miller have been teaching for 30 plus years and have found that the traditional methods of teaching and/or coaching communication skills often miss the mark with clients; the concepts can be difficult to actually integrate into everyday use. This quick read incorporates crucial findings from years of teaching and captivates the reader's attention through use of a sports analogy. Learning can be fun as you access the tips through the eyes, ears and body of a team player understanding the rules of the game, the playing field, how to score and how to practice effectively. You'll find many suggestions that will enhance your beginning presentation skills or polish your advanced technique. This item ships from La Vergne, TN. Paperback.
