ENHANCING EARLY YEARS SCIENCE

Institute of Education Press. Paperback. Book Condition: new. BRAND NEW, Enhancing Early Years Science, Jennifer Smyth, The early experiences children have of science are crucial in determining later attitudes to learning about it. Here is an excellent introduction for trainee Early Years teachers, and one which helps practising teachers to make science accessible and interesting to young children. It provides strategies to help maintain the impetus all through primary school given by good science teaching in the early years and...
