# EVERYDAY LINGUAGING

Condition: New. Publisher/Verlag: De Gruyter | Collaborative Research on the Language Use of Children and Youth | The series Trends in Applied Linguistics meets the challenges of the rapidly growing field of applied linguistics. In a very broad sense, applied linguistics is understood by focusing on the application of theoretical linguistics to current problems arising in different contexts of human society. Given the interdisciplinary character of applied linguistics, the series includes cognitive, psycholinguistic, sociolinguistic and educational perspectives. The following topics are included...
