Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.(black white edition) After a mismatched marriage and a horrific second act, Susie Ashmore was more than a little gun-shy in trusting her instincts when it came to selecting the men in her life. But burying herself in her work and the commitments of being a single mom bought her more than enough time to escape and come up for some good, clean air.one breath at a time. After attending a goal-setting workshop, it became crystal clear: it was time to start dating again. But this time, it would be different. Curl up with the memoir and the manual on how to navigate through the trials and tribulations and the unexpected celebrations that life and love reveal, one layer at a time. Read it to be inspired to find the courage to make a positive change in any area of your life that you ve been avoiding. And, if for no other reason, read it for the girlfriend-to-girlfriend camaraderie, as an example of how real women treat each other. Your personal standards in dating, in goal-setting, in who you allow into your life will never be the same.
