

Traumatologie Aigue Au Centre National D'Entrainement Commando (Paperback)

By De Parseval-E

Univ Europeenne, United States, 2011. Paperback. Condition: New. Language: French . Brand New Book. Le Centre National d'Entrainement Commando de Mont Louis en France assure l'instruction des techniques commandos pour les militaires francais. L'entrainement est realise lors de stages de 2 a 4 semaines, a l'aide d'activites specifiques. Le stress physique et psychique est soutenu. Les accidents traumatiques sont ici etudies. L'etude realisee est retrospective, de 2003 a 2006, a partir d'une cohorte de 7797 stagiaires, et s'appuie sur les donnees de consultation medicale. L'analyse des resultats montre une incidence elevee des traumatismes aigus. Les stagiaires issus des ecoles militaires y sont plus sujets que les autres. Les deplacements a pied sont les premiers responsables apres les parcours d'audace. Les facteurs de risques individuels evoques sont: l'inexperience militaire, un faible niveau physique, un defaut de preparation. Cette etude propose des mesures de prevention: sensibilisation aux risques, optimisation de la preselection, modification du contenu des stages, realisation de nouvelles etudes.

Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Mr. Noah Cummerata IV**

Here is the very best book i have study until now. It is rally fascinating throug looking at period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
