

## Common Core in the Content Areas: Balancing Content and Literacy (Hardback)

By Jessica Bennett

Taylor Francis Ltd, United Kingdom, 2014. Hardback. Book Condition: New. New.. 260 x 184 mm. Language: English . Brand New Book. The Common Core is requiring literacy across the curriculum, but what does that mean for teachers of subjects like math, science, and social studies who have a lot of content to cover? In this essential book, author Jessica Bennett reassures you that you don't have to abandon all of your great content lessons and start from scratch. Instead, you can reflect on what you're already doing well and make adjustments and enhancements as necessary. Bennett starts with a clear breakdown of the Common Core ELA Social Studies/History and Science and Technical Subjects Standards for Grades 7-12 and what they actually look like. She provides a variety of practical strategies and scaffolds that you can use immediately to enhance your curriculum and meet the standards. You will learn how to.\* Incorporate a wider variety of texts into your curriculum \* Teach students to use each text with purpose, whether it is for close reading, support, argumentation, or research \* Assign meaningful group work and projects without feeling that they have to take up your whole curriculum \* Help...
