## THE NEW THEOLOGY (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpts from the Introduction. THAT which is designated as the New Theology is, on the constructive side, the most general and conspicuous religious fact of our time, and by far the most significant one. What I have to say aims at a better understanding of this fact, in itself, in the forces which give rise to it, and in its practical results. The New Theology is after all not a theology. There is no creed that we can call the new creed; there is no conclusion or series of conclusions that occupies, in this movement, any more a final position than do other allied convictions. The New Theology is not a creed but a tendency; is not a result but a movement. All men may feel it and share it, - most cultivated men do share it, - no man can make it his own or sufficiently voice it. Indeed it consists largely in breaking old bonds and in refusing to accept new ones. It is a ferment in the religious mind, an excitement in the religious camp, of which many marches are already the result, from which many more are to come. Some of these marches have carried those who have taken part in them quite beyond the lines of safety, and, as we think at least, over the uncertain borders which separate belief and unbelief. Such marching, because it is bold, even to recklessness, and is yet the result of the new inspiration, is not, therefore, its most complete or most just expression. Some have hardly left the camp, and only slightly shifted their quarters in it, yet this restlessness has the same cause and the same significance as the...
