

The Book of Bee-Keeping: A Practical and Complete Manual on the Proper Management of Bees (Classic Reprint) (Paperback)

Filesize: 3.65 MB

Reviews

The book is simple in read safer to comprehend. It is writter in straightforward words and phrases instead of confusing. You wont truly feel monotony at anytime of your time (that's what catalogues are for concerning in the event you request me).
(Brannon Koch)

THE BOOK OF BEE-KEEPING: A PRACTICAL AND COMPLETE MANUAL ON THE PROPER MANAGEMENT OF BEES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Book of Bee-Keeping: A Practical and Complete Manual on the Proper Management of Bees The fact that a fourth edition of this handbook has been called for leads us to hope that it has fulfilled its purpose as a practical and complete manual on the proper management of bees. During the twenty years that have passed since its first appearance, rapid progress has been made in practical and scientific bee-keeping, and numerous appliances have been introduced for the convenience of bee keepers, as well as for the purpose of increasing the return of surplus honey. Many of these inventions have been noted in this edition, and additional engravings have been introduced to illustrate the descriptions given. Whilst some of the more important appliances must be purchased, there are several others which can be made by a person who is handy with tools, and it is a good principle in all rural industries to endeavour to do the best of work with the minimum expenditure on appliances. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
