A Homeschooling Curriculum for Economics, Social Studies and Career Planning. Recommended for for Grades 7th to 12th. This is a very unique curriculum that serves a very practical purpose! Instead of learning irrelevant facts about social studies and economics, your student is digging deep into over 80 different careers and income generating hobbies. The workbook is so much fun that students will not realize that they are doing school work. This career planning handbook will help teens to catch a vision for the future. Many career planning books focus ONLY on occupations that require years of college education and mounds of student loans and debt. This book is different. We will introduce your young entrepreneurs to a variety of business ideas that can help them to be self-sufficient without loads of debt and years of school. They can even earn their own money while obtaining an education that will help them to meet their long term goals. We ask serious questions to get your student thinking, like: What Do You Want to Be When You Grow Up AND What Do You Want to Be Now The options are endless. . . From Dishwashers to Doctors, from Dog Walkers to Designers, Florists, Professional Cat Breeders, Sound Engineers and Music Teachers. . . the options are vast and interesting! Learn How to Stop Dreaming and Start Doing Something with Your Life! If you are a parent of a teen, this book will help your son or daughter to plan a course that starts now, and helps them to be ready to support themselves and their future families. If you are ready to help your children to be self-sufficient this...
