

Exploring Coastal Mississippi: A Guide to the Marine Waters and Islands

Filesize: 5.17 MB

Reviews

Complete guideline for publication fanatics. It is written in easy phrases rather than hard to understand. I am very happy to inform you that this is basically the finest pdf we have studied in my personal life and can be the finest pdf for at any time.
(Saul Mertz)

EXPLORING COASTAL MISSISSIPPI: A GUIDE TO THE MARINE WATERS AND ISLANDS

University Press of Mississippi, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: For boaters of all kinds a handy guide to the waterways of the Gulf of Mexico. Mississippi's barrier islands claim some of the most remote and unspoiled sites along the Gulf of Mexico. The distance of East and West Ship Island, Horn Island, Cat Island, and Petit Bois Island from the mainland has sheltered them from extensive development. The inclusion of all in the roster of protected places in the Gulf Islands National Seashore Act has assured that they will remain close to their natural state long into the future. For those who love the seashore, the Mississippi Gulf Coast is an ideal place for adventure. The wilderness islands, the back bays and coastal rivers, and the Gulf of Mexico itself offer pleasure for boaters and nature lovers. This book will guide them to special places in these relatively shallow waters. Filled with detailed descriptions of many alluring settings, along with directions for navigation to secluded coves and coastal bayous, this book gives tips and pointers for a wide range of boaters, whether their preferred craft is a canoe, a sea kayak, or a luxury yacht. What are the best and safest routes? What are the weather patterns? How does one select the perfect craft? Here from an expert who has explored the coastal waters during a period of fifteen years are the answers, rich in anecdotes, along with information on charter boats, excursion boats, and other options for exploring and fishing.
