

Count and Color: Fly: Fly (Paperback)

By -

Blue Apple Books, United States, 2013. Paperback. Condition: New. Nicola O Byrne (illustrator). Language: English . Brand New Book. Animals under the sea and up in the air fly and swim on the pages of these not-your-average coloring books (see also Count and Color: Swim). Young artists will have a splash coloring in beautiful block prints of an amazing array of sea creatures and airborne animals - and will strengthen counting skills, learn a little about printmaking, and pick up a few fancy collective nouns, to boot - e.g., Is that a tangle of octopuses? A parliament of owls? How many dolphins are in a pod ? Kids can count and color them all! These ideal quiet- or travel-time activity books provide absorbing, portable play for waiting rooms, plane rides, car trips, or restaurants (here s something fun to do while the grown-ups are finishing their coffee). There are high-flying, swim-tastic discoveries on every page!.

The best book i at any time read. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this book to understand.

This ebook might be worth a read, and superior to other. It is probably the most remarkable book i have got read. Its been designed in an remarkably straightforward way and it is merely soon after i finished reading this publication where really modified me, alter the way i really believe.
