## WHERE WE BELONG: BEYOND ABSTRACTION IN PERCEIVING NATURE (PAPERBACK)

University of Georgia Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. The fourteen essays in Where We Belong exemplify Paul Shepard s interdisciplinary approach to human interaction with the natural world. Drawn from Shepard s entire career and presented chronologically, these pieces vary in setting from the Hudson River to the American prairie to New Zealand. Equally impressive is Shepard s spatial range, as he moves from subtle differences to grand designs, from the intimacy of an artist s brush stroke to a vista of the harsh Greek terrain.
