James Currey, United Kingdom, 1999. Paperback. Condition: New. Language: English . Brand New Book. Africa s regionalisation processes are closely intertwined with changing patterns of globalisation, where Africa is increasingly incorporated on a subordinate basis into the emerging global order. These studies examine various aspects of the impact of globalisation on Africa, the problems confronting regional integration, tensions within and between states, and the rise of an international informal economy. North America: Indiana U Press.
