Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

YIPEE S GOLD MOUNTAIN (PAPERBACK)

Red Deer Press, 2017. Paperback. Condition: New. Language: English . Brand New Book. Set in the Wild West of 1860s Arizona, Yippee s Gold Mountain is told my Yip Yee, an orphaned Chinese ex-railway laborer who dreams of being a cowboy, and Na-tio, an Apache warrior-apprentice who is recovering from his first botched raid. Through alternating chapters both narrators reveal different sides of the story, as their initial and mutual suspicion evolves into true friendship. Together, Na-tio and Yip Yee face down a wolf attack, a sinister bounty hunter and even greater challenges in the hard scrabble world of fortune-seekers, soldiers and warriors. And through all of these adventures and trials, Na-tio must cope with a terrible crisis for his people, and Yip Yee must carefully guard a very important secret. Driven by a fast-paced plot and delivered in deceptively simple language, Yippee s Gold Mountain addresses themes of inter-cultural confusion, conflict and cooperation. An interview with the author discusses the historic background and setting as well as including a list of books and periodicals along with notes from a research trip to Arizona.
