WHY ARE WE LOSING THE KIDS? (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I found this book on Bookbub, and am thrilled with what I ve read. I wish every Christian would read it--especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing the same disastrous problems. We have created a monster that we call church which little resembles the New Testament kind, and people are fleeing it. For all the promise of the contemporary style church, it isn t really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it s all because we have failed to make authentic (true) converts. It s that simple. It s easy to make a disciple of someone who has been truly converted. Otherwise, with our usual crop of decisions, it s like pushing a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation, leaving millions of people still in their sins. There isn t really any such thing as a church for the unchurched as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmitive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real faith in Jesus Christ. -M.J. Freeman . . thought provoking...
