Reviews

This publication is definitely not effortless to get going on looking at but really exciting to read through. It really is rally intriguing through looking at time period. Its been written in an remarkably straightforward way which is just soon after i finished reading through this book where basically altered me, change the way i think.

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Notes to Future Self (Main), Lucy Caldwell, Sophie and Calliope have never been to school. Their mum ran away from home when she was seventeen to join the New Age movement and the girls were raised in a series of ashrams, communes and impromptu raves. When Sophie gets ill, they return to Birmingham - a strange new world where meditation and tree-hugging are replaced with maths homework and TV and the grandmother they have never met. And it's against this bewildering new backdrop - the normality she's always longed for - that Sophie must come to terms with her mortality. Lucy Caldwell's Notes to Future Self opened at the Birmingham Repertory Theatre in February 2011.
