

Mile High Murder (Hardback)

By Marcia Talley

Severn House Publishers Ltd, United Kingdom, 2018. Hardback. Condition: New. First World Publication ed.. Language: English . Brand New Book. Hannah Ives embarks on a trip to the Mile High City on a fact-finding mission. But is she about to get high on murder? It s a well-known fact that some of the Reach for Recovery cancer support group survivors Hannah Ives works with take marijuana. Recreational use of the drug may be illegal, but a few, like Maryland State Senator Claire Thompson, are prescribed it on medical grounds. Claire has co-sponsored a Cannabis Legalisation Bill and wants Hannah to be part of a fact-finding task force that testifies before the Maryland State Senate. Before long, Hannah is in Denver, Colorado - the Mile High City - staying at a BB with a group of pot pilgrims and medical refugees - some of whom, like her, are on a mission for information. But when one of the group is found dead, and a closer inspection of the body reveals they may not be who they seem, Hannah is plunged into a dangerous cocktail of drugs and death.
