Dr. Paret personally reviewed this new Edition as he applies with incredible success this ancient methodology into which he was personally initiated. Mesmerism is completely different from modern hypnosis. Mesmerism is the Western school corresponding to the use of Prana or Ki (Chi) in Orient. Parts of the teachings of this school were never completely disclosed in print. Dr. Paret, who is a genuine practitioner, wrote a serie of notes which allow a better understanding of practical applications of these techniques and their actualness. Many of the powerful results of Mesmerism are scarcely reachable if only pursued through verbal hypnosis. Dr. Paret therefore accompanies you through your reading. You will not only find here the original text of Dr. Coates, but also a better understanding of the original school of magnetism. If you really want to immerse in this powerful world, this is your occasion!.
