Brand New Book ***** Print on Demand *****.Excerpt from Your Teen-Agers: How to Survive Them How could you call parenthood perplexing? asked one of my professional co-workers of me. Well, I launched into my usual dissertation on the subject and it was to the effect that the more I learn the less I seem to know about anything. What with my social work training and being a parent, I should know at least some of the answers. But the fact is that I have many moments of confusion in handling my own family - to say nothing of the perplexing problems thrust at me as a social worker. I have had to face them. So will you. We all meet pretty much the same problems in dealing with teenagers. In reviewing these mutual problems, it is my hope that you can learn a few basic facts which may help in the job you have to do at your house. In the past few years it has been my job to deal with many people, from the infant to the aged. In my various experiences, I began to toy with the idea of how to put this puzzle of living into a simple formula. I have watched normal, everyday youngsters in their own homes and in institutions. I have watched the so-called delinquent in the Juvenile Court setting, and after not too much watching, it began to dawn on me that these teenagers are but the products of the environments we provide for them. Generation after generation comes up with the same old question - What are our children coming to? Actually a much better question would be: How are we stacking up as parents?...
