FIRST, HEAL THYSELF: HOW TO SURVIVE SPIRITUALLY IN THE HEALTHCARE INDUSTRY

iUniverse, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.First, Heal Thyself applies spiritual and psychological principles to one of the most stressful of life s circumstances, that of caring for the ill. By distilling some basic tenets of personal growth and conveying them in easy-to-learn, practical steps, the readers relationships with themselves, patients, co-workers, and the institutions in which they work will be transformed. They ll see their place in medicine differently and be better able to deal with others in a way that can turn any encounter into a healing situation. First, Heal Thyself was written by a physician and a nurse-two authors integrating three disciplines of physical, emotional, and spiritual healing. Each author is well-established in their field and is highly experienced in personal and organizational healing. With over thirty years of combined experience in healthcare and healing work, they inject a human prescription for what ails medicine. This is the first book to look at healthcare from the inside out, changing the system by starting with the true essence of healing: relationships. It pioneers the idea that a healer s relationship to others is an extension of their relationship to themselves.
