*It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Destiny Recordings, United States, 2004. CD-Audio. Condition: New. Abridged. Language: English . Brand New. Practitioners of the Afro-Cuban religion Santeria believe that powerful spirit forces--orishas--provide guidance and inspiration channeled in the form of song. Listening intently makes one's soul vibrate at the same frequency of the orisha being praised, creating a bridge between God and humankind that releases the orisha's healing power. Sacred Sounds of Santeria includes extremely rare and powerful field recordings made in the hinterlands of Cuba in the 1950s during actual Santeria rituals, along with studio recorded songs that feature 40 of the most gifted soloists, choral singers, and drummers on the island.
