

Applied Leadership Development: Nine Elements of Leadership Mastery (Paperback)

By Al Bolea, Leanne E. Atwater

Taylor Francis Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Intended for courses on leadership, practicing managers, consultants, and practitioners, this approachable guide teaches readers about how to become a leader. By blending the real-world insights of business executive Al Bolea with tested research findings provided by leadership scholar Leanne Atwater, it effectively bridges theory and practice to outline powerful leadership behaviors. Based on Bolea s original J-Curve model of leadership, the authors identify and describe nine essential elements for leadership mastery, including skills such as setting direction, creating key processes, and nurturing behaviors. Each chapter pairs concrete narratives with succinct research synopses to show how to expand the potential of people and organizations. A unique, experiential text, Applied Leadership Development engages students with self-reflection and self-assessment exercises, and encourages them in their own development as future leaders.

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
