IT PAYS TO WIN ON OFFENSE: A GAME-BASED APPROACH TO DEVELOPING SOCCER PLAYERS THAT SCORE AND CREATE LOTS OF GOALS

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Named to US Youth Soccer s Recommended Reading List in September, 2015, It Pays to Win on Offense is a book for soccer coaches who are looking for the most effective way to engage all of their players all of the time in order to teach them attacking soccer concepts. The book provides an all-encompassing Game-based Soccer framework for instilling a relentless, attacking mindset in players. By combining educational theory and making everything a competition, coaches can maximize their practice time and teach that attacking concepts are not just limited to certain players or limited to specific positions on the field. Let s be honest, there are a lot of soccer coaching books out there. Why would you choose to read this one? For parents of soccer players, It Pays to Win on Offense gives you insight into what might motivate your own child at soccer practice. While this is really a coaches book, you may find it interesting to learn about offensive principles of play and the guided discovery questions allow you to ask good questions about the defensive side of the game. For players, It Pays to Win on Offense allows you to see where your coach might be coming from when he or she is teaching you defensive concepts. Each coach will have their own style of delivery, but most if not all of the general concepts in this book will hold true. Also, if your learning style is more book-oriented, you will be able to gain deeper understanding of defense and defending on your own time, so you will be more comfortable in practices and games having already been exposed to...
