INVESTMENT REAL ESTATE ANALYSIS: A CASE STUDY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It s a well kept secret in buying investment real estate that you are almost always buying the seller s problem. The key is to accurately identify the existing and potential problems, and the likely costs associated with solving those problems. In The Real Estate Property Management Guide I discuss all aspects of property management, including the steps to take when considering what type of investment property is right for you. After all, just because you can buy or finance an acquisition doesn...
