A DAY AT WORK WITH A CHEMIST

PowerKids Press, United States, 2016. Paperback. Book Condition: New. Reprint. 218 x 145 mm. Language: English . Brand New Book. This book gives readers a close look at what its like to work as a chemist. Readers will come to understand STEM concepts through a career focus as they learn about how chemists use science, technology, engineering, and math every day. This book covers chemistry basics, while explaining the different tools chemists use. Readers can also explore several careers in chemistry and learn how to land one. Accessible and engaging text is paired with color photographs to help readers grasp the topic. Fun fact boxes and a graphic organizer provide additional information. This look into the lab is a great addition to both science and career instruction.
