Spring Morning Publishing, Inc., 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A how-to-do and what-not-to-do book for anyone planning to carry a gun in Mississippi. A must-have publication with information for permit holders of other states having reciprocal agreements with Mississippi. Don't come armed to Mississippi without it. The author covers everything from firearms safety, to nomenclature, judgmental shooting, post-shooting considerations, as well as a review and analysis of significant citizen shooting engagements around the country. Told in a down-to-earth manner, with explicit photographs and sometimes candid humor. It defines training required under Mississippi's new enhanced carry law, over and above what the state has mandated. It is a benchmark for other states to follow. Told by an expert.
