Brand New Book ***** Print on Demand *****.The city of Tacoma, Washington was never much in the history books and rarely enjoyed national attention. Tacoma residents near the Pearl Street Safeway decided that state of affairs might be changing as a mighty vortex of death opened up above their houses, unleashing the armies of the dead to take the world of the living. Evil s first target? Wilson High School. This is a very strange, very short, story about some colorful characters trying to make sense of unusual circumstances while defeating an ancient evil that threatens to destroy everything. There s also a very nice scene about mowing lawns. Enjoy.
