AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The greatest fear known to man is not the fear of receiving something dreadful, but of losing something beautiful. The Lost Sunset is not just a Love story, it s a story about Love, told by three unlikely narrators, all of which must be discovered by the reader. The book tells the story of a man named James and a girl named Destiny, using them both as tools to illustrate the philosophies of Love and life. When James and Destiny meet, it seems as though both will finally find what they had each been looking for; but because of James s past, and Destiny s present, circumstance becomes very circumstantial. Tragedy will also befriend James, changing his life forever. It s only through his interaction with a very mysterious girl that James is able to break out of his confused state. It is only with her, that we will see if James is able to let go of the past, accept the present, and build his future. The only question is whether or not any part of that will include Destiny.
