Extending back beyond memory, many books, articles and innovative trading strategies have been written by many stock market titans. Without any doubt, all these tools are helpful. But clearly, there is no holy grail nor a single tool we can rely on. So, why not use our Intuition, perception and right mind to illuminate any fog of uncertainty that surround the market every so often. This book is dedicated to all investors currently trading online, beginners and retirees. I believe that there can always be a better way to do things during time of adversities .
