Spring Boot: How to Get Started and Build a Microservice - Second Edition (Paperback)

By Jens Boje

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sale for a short time - regular price 14.95\$ Heavily revised and extended 2nd edition From Zero Spring Experience to Building Your First Microservice with Spring Boot 2 Learn to build your first microservice with Spring Boot. Together we will write a production-ready microservice with a REST API in just a few hours. All starting from having zero experience with Spring at all. Our guides give you brief lessons on a single topic to get you started in no time. We leave the fluff out so you can focus and learn better and faster. Stop wasting hours of your life with watching video courses or reading boring compendiums. Use our guide and save your precious time and be way ahead of your competitors on that next big project. We build a real application (less than 850 lines of code though) using a standard Maven project structure together, and I will explain you the steps and libraries involved on the go. You learn best by coding. The way I love learning too. And not by reading fluffy compendiums or watching 10 hours and...
